Title: Need to incorporate Raja Ravi Varma College of Fine Arts under Central University Kasargod in Kerala.

SHRI KODIKUNNIL SURESH (MAVELIKKARA): The Raja Ravi Varma college of fine arts located in Mavelikkara, is a premier institute established by world renowned painter and artist Raja Ravi Varma. The college, despite its efforts at establishing new frontiers in the discipline of fine art deserves a support from a higher institution. I would urge the Union Ministry of HRD to take steps in instructing the Central University, Kasargod to formally incorporate Raja Ravi Varma college of Fine Arts as its offsite department as it will undoubtedly help the Institute achieve greater success in propagating its research activities and offer new courses to more students and scholars wishing to pursue fine arts and aesthetics. The government must take immediate steps in addressing this long pending demand of people in my constituency.
